

OFFICE OF THE MAYOR

Dear Friend,

...

I'm asking for your help. We need multi-family communities such as yours to recycle and to do so in a manner that helps the city and you as a business owner.

One way you can join me in this effort, is by contracting with WastePoint. WastePoint is a Columbus business that is offering recycling programs for multi-family communities such as yours. My staff recently met with the owners of this company and was impressed with their commitment to increase ways for residents of multi-family communities to recycle through our drop box program.

WastePoint can be reached by calling 1-855-88-WASTE, or by email at [david@wastepoint.com](mailto:david@wastepoint.com).

Thank you for your support in making the City of Columbus the best city in the nation to live, work and raise a family.

Sincerely,

A handwritten signature in blue ink, appearing to read "MBC", written over a faint circular stamp.
